\*SHORTLISTED for the 2021 Gourmand World Cookbook Award\* \*SHORTLISTED for the 2022 Taste Canada Award for Single-Subject Cookbooks\* A sustainable lifestyle starts in the kitchen with these use-what-you-have, spend-less-money recipes and tips, from the friendly voice behind @ZeroWasteChef. In her decade of living with as little plastic, food waste, and stuff as possible, Anne-Marie Bonneau, who blogs under the moniker Zero-Waste Chef, has preached that "zero-waste" is above all an intention, not a hard-and-fast rule. Because, sure, one person eliminating all their waste is great, but thousands of people doing 20 percent better will have a much bigger impact. And you likely already have all the tools you need to begin. In her debut book, Bonneau gives readers the facts to motivate them to do better, the simple (and usually free) fixes to ease them into wasting less, and finally, the recipes and strategies to turn them into self-reliant, money-saving cooks and makers. Rescue a hunk of bread from being sent to the landfill by making Mexican Hot Chocolate Bread Pudding, or revive some sad greens to make a pesto. Save 10 dollars (and the plastic tub) at the supermarket with Yes Whey, You Can Make Ricotta Cheese, then use the cheese in a galette and the leftover whey to make sourdough tortillas. With 75 vegan and vegetarian recipes for cooking with scraps, creating fermented staples, and using up all your groceries before they go bad--including end-of-recipe notes on what to do with your ingredients next--Bonneau lays out an attainable vision for a zero-waste kitchen.

Squeaky Clean Keto marries the principles of clean eating with the ketogenic diet, resulting in reduced inflammation, faster weight loss, and better overall health. It provides readers with the methods and principles of squeaky clean keto (no grains, dairy, alcohol, sweeteners, or nuts), 30 days of easy-to-follow meal plans, and over 130 delicious recipes that are big on flavor and will appeal to even the pickiest of eaters. This book will help readers lose weight, feel healthier, and identify whether or not certain common allergens are hindering their progress—all while eating an abundance of delicious foods that the entire family can enjoy. Squeaky Clean Keto makes weight loss on keto almost effortless, even for people who are self-proclaimed “slow losers.” Food intolerances and inflammation caused by common keto foods like dairy, nuts, and sweeteners can slow weight loss, so when those things are completely removed from the diet, many see rapid results that they weren’t getting on “regular” keto. After 30 days of squeaky clean keto, slowly reintroducing the potentially offending foods can shine a light on which foods may have been stalling weight loss. With this information in hand, readers can decide to limit or omit those foods completely moving forward for a fully customized approach to the keto diet.

Jessica Seinfeld’s new book, Food Swings, has that nailed, packed as it is with simple recipes that are kind to your body, crowd-pleasingly delicious (quit the side-eye, picky fourth grader), even gluten-free. Dinner victory, all around.”—Redbook “Seinfeld has assembled 125 recipes that allow readers to eat as healthfully or indulgently as their mood dictates. . . . Readers can have their cake and quinoa, too, with Seinfeld’s latest, which strikes an effective balance between two popular eating styles.”—Library Journal “Jessica Seinfeld gets it, even down to the one-liners. With three cookbooks under her apron, Seinfeld takes a cue or two from her husband, Jerry, targeting both the devil and the damsel in her 125 recipes. She’s eminently practical, very straightforward, and keeps her dishes in line with our modern proclivities: quick, healthy with an occasional sinfulness, convenient for the beginner as well as for the experienced home chef.”—Booklist “In a friendly voice Seinfeld encourages readers to take her approach to what she calls ‘food swings’ and eat without guilt. Or, she concedes, to eat with less guilt. . . . However you divide up the recipes, this is a great day-to-day cookbook with tasty-looking recipes that are approachable and simple to prepare.”—Publishers Weekly

## Happy Food

How many great ideas begin with a nagging thought in the middle of the night that should disappear by morning, but doesn’t? For Daniel Shumski, it was: Will it waffle? Hundreds of hours, countless messes, and 53 perfected recipes later, that answer is a resounding: Yes, it will! Steak? Yes! Pizza? Yes! Apple pie? Emphatically yes. And that’s the beauty of being a waffle iron chef—waffling food other than waffles is not

just a novelty but an innovation that leads to a great end product, all while giving the cook the bonus pleasure of doing something cool, fun, and vaguely nerdy (or giving a reluctant eater—your child, say—a great reason to dig in). Waffled bacon reaches perfect crispness without burned edges, cooks super fast in the two-sided heat source, and leaves behind just the right amount of fat to waffle some eggs. Waffled Sweet Potato Gnocchi, Pressed Potato and Cheese Pierogi, and Waffled Meatballs all end up with dimples just right for trapping their delicious sauces. A waffle iron turns leftover mac 'n' cheese into Revitalized Macaroni and Cheese, which is like a decadent version of a grilled cheese sandwich with its golden, buttery, slightly crisp exterior and soft, melty, cheesy interior.
